The spirit is a prickly bur of energy that sometimes clings to places and people that were once important to us, so then you get haunted houses, poor bastards still tormented by their dead wives, and crap like that. And sometimes, the bur attaches itself to the embryo in some slut who's just been knocked up, so you get reincarnation. You don't need a god for all this. It's just the way things are. Around the block at a brisk walk..Now that neither of them had a doubt that the other shared the same need and that eventually they would satisfy each other, Victoria was opting

for discretion. Wise woman..Yes, he suspected that he would require a great deal of rest to prepare himself for this vixen.
